Locking and Snap-Open Frame Notice Boards

Perfect for elevators, lobbies, fire plans, waiver notices, fitness room regulations, pool area rules, restaurant menus, event schedules, picture and certificate frames, and more.

Locking notice boards are secured using a hex key (included), and the locking screw is inset into the frame.

The frame is 3/4" wide and 3/8" thick and can be mounted using double-sided tape or tapered screws.

Once unlocked, the frame slides open easily so you can change your notice.

The face of the board is made from tough, glare-free, clear acrylic to protect your notices from tampering.

Our premium locking aluminum notice boards are available in four different frame brushed & anodized finishes: Aluminum, Gold, Bronze, and Black.

These frames can also be engraved with your name, logo, or contact number.

Premium Locking Brushed Aluminum Notice Boards

- 8.5" x 11" portrait or landscape view - \$119.60
- 8.5" x 14" portrait or landscape view - \$139.80
- 11" x 17" portrait or landscape view - \$173.00
(For two 8.5" x 11" notices)
- 18" x 24" portrait or landscape view - \$225.00

*Custom sizes available.
Please specify portrait or landscape view (tall or wide).*

Snap-open notice boards are perfect for areas where securing your notice is not a concern. Changing notices is easy and requires no tools or keys. Just snap open the frame to replace your notice. The frames are 7/8" wide and 1/2" thick.

Each of these snap-open frames comes with a clear, glare-free acrylic face to protect your notice and give it a glossy, professional look. They can be mounted using double-sided tape, tapered screws or the built-in picture frame hooks.

Snap-open notice boards come in an anodized aluminum finish.

They are also available with rounded chrome corners as shown above which have 1" wide and 1/2" thick frames.

Snap-Open Brushed Aluminum Notice Boards
