Sandwich Boards and Sign Holders

Great looking solutions for indoor and outdoor signs that get attention to announce specials, events, deals, important notices, coming attractions, directions, and much more.

Standard A-Frame Sandwich Boards

Our most popular sandwich boards. They come in two sizes and are made from Sintra; a durable plastic. Features a handy carrying handle and are printed on both sides with your full colour graphics.

Aluminum Snap-Frame Sandwich Boards

All aluminum construction with an easy to use snap-open frame that allows you to change your posters as you need to. Durable clear plastic covers protect your posters from the elements.

Metal A-Frame Sandwich Boards

Available with or without graphics. All metal frame construction with a handy carrying handle. Sign faces are printed on 3/16" coroplast in full colour and slide right into the frame and are changed easily.
