#### Chain Link Fencing

- Interior fencing
- Exterior fencing

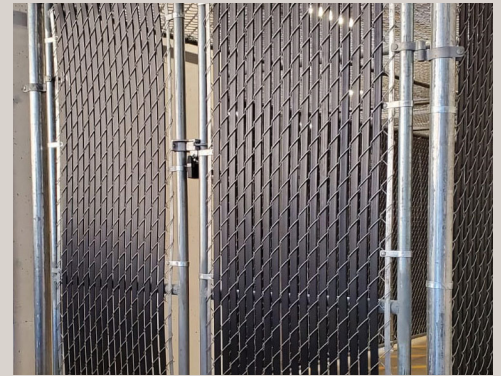

Available in commercial grade galvanized steel and black vinyl coated steel. Fencing, gates, gate & emergency exit hardware.

#### Chain Link Enclosures

- Garbage enclosures
- Gas meter cages

Chain link fencing is perfect for making secure enclosures for your property and for services equipment on your property.

#### Privacy Slats

- Retrofit existing fencing
- For new installations

For unsightly areas such as garbage enclosures, or to keep prying eyes away from your secure enclosures.

#### Repairs

- Chain link mesh, posts, latches

Call us today for all your chain link fence repairs ... mobile welding, concrete footings, post replacement, mesh repair, latches, gate hinges, gate wheels.

#### High Security

- 12" x 12" welded flat bar matrix

For fencing that is frequently cut, we can upgrade your chain link fencing with galvanized flat bar. This security upgrade significantly deters vandals.

#### Maximum Security

- 3/4" 9 ga galvanized expanded steel
- 1 1/2" steel flat bar

For the highest security, we can replace the standard chain link mesh with expanded steel and add flat bar reinforcement.
